3 Things You Can Do This Winter Break

1

**EXPLORE
MAJORS & MINORS**

The SAS Major, Minor & Career Readiness Fair might be over, but you still have access to great resources from the participating departments. Log into Canvas to learn more about majors & minors.

2

**SCHEDULE AN
ADVISING APPOINTMENT**

Did you know OAAS is open in early January? Winter break is a great time to ask questions and confirm you're on track to graduate. Beat the crowds, & self-schedule an appointment before spring semester begins.

3

**JUMPSTART AN
INTERNSHIP SEARCH**

Spring is a big recruitment time for internships, even during COVID times. Meet with a CES career advisor to learn how to find opportunities, refine your resume and interview well.
