WHAT YOU NEED TO KNOW, WHEN YOU NEED TO KNOW IT

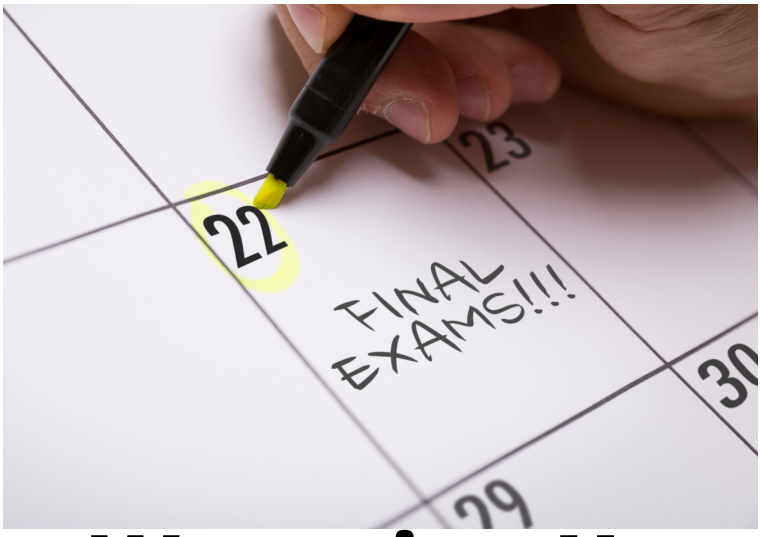
Fall 2021 Registration

It's not too late to register for courses or adjust your schedule!

If you haven't registered for at least 12 credits yet, it is important you to do so ASAP to avoid getting closed out of courses you need to graduate on time.

Schedule a virtual appointment with an SAS Advisor to discuss your academic plans, progress and fall schedule.

We'll be available all summer!



Wrapping Up Spring 2021

Before summer starts, there's still a bit left on your to-do list.

Have you declared your major and minor yet? Most students do this by the end of sophomore year. Don't wait - the earlier you declare, the sooner you can take advantage of departments' resources and opportunities. You may even gain access to more courses!

As final exams near, we encourage you to utilize the many services RU has to offer to help you prep and do your very best! The Rutgers Learning Centers offer tutoring, study groups, workshops, and knowledgable academic coaches to help with pesky test-taking anxiety and other stressors that come along with the end of a semester.
