If you are a student in another undergraduate college but are on a Leave of Absence and would like to apply to the School of Arts and Sciences, you may apply via the [SAS Reenrollment process](#).

It is the student's responsibility to be familiar with all relevant information.

Part I: Transfers from within Rutgers-New Brunswick

SAS considers applications from students in the following NB undergraduate colleges:

- Ernest Mario School of Pharmacy
- Mason Gross School of the Arts
- Rutgers Business School
- Rutgers School of Engineering
- Rutgers School of Environmental and Biological Sciences
- Rutgers School of Nursing

Students from the following NB undergraduate colleges/units are not eligible to apply for transfer to SAS:

- Edward J. Bloustein School of Planning and Public Policy
- School of Management and Labor Relations
- Rutgers University Division of Continuing Studies

School-to-school transfer is **NOT** available from Bachelor's Degree programs within the Rutgers Biomedical and Health Sciences division (except School of Nursing and School of Pharmacy)

School-to-school transfer is **NOT** available to second-degree students in other RU-NB undergraduate colleges. For more information: <https://sasundergrad.rutgers.edu/advising/current-students/second-degree>

Criteria for Admission:

- 1) Residence:** All applicants must have completed **12 graded degree credits** (excluding remedial courses) at Rutgers University-New Brunswick by the end of the semester in which they are submitting their school-to-school transfer application.
- **Transcript Review:** All previously earned credits will be reviewed in compliance with the School of Arts and Sciences academic policies. Students should be aware that the School of Arts and Sciences may decline credits that were previously approved by their present school. Below are some common examples of credit considerations and adjustments:
 - Example #1: SAS does not award credit for elementary world languages if the student has studied the same language in high school for two years; therefore, credit for elementary languages may be removed.
 - Example #2: SAS has different transfer credit policies than other Rutgers University undergraduate colleges. One's current school may grant credit for a pre-college or transfer course that SAS would not.
 - Example #3: SAS does not allow credit for the same course more than once, including pre-college and transfer courses.
 - **High credit count:** Transfer is not recommended for students who will have completed 90 or more credits in their present school by the end of the current semester. RU-NB students who transfer to the School of Arts and Sciences with greater than 90 credits may be required to complete extra credits for graduation, possibly resulting in additional time and

tuition payments. SAS majors/minors often take more than one year to fully complete and a late transfer may delay the normal 4-year degree trajectory. Students in this situation seeking transfer should consult the SAS School-to-School Transfer office prior to submitting a school-to-school transfer application.

2) Grade Point Average (GPA): All applicants must have a cumulative GPA of at least **2.000** from Rutgers University-New Brunswick by the end of the semester in which they are applying.

- **Transcript Review:** Please note that the GPA used for admission may vary from your official cumulative GPA. Pass/No credit grades and repeated course grades will be reviewed in accordance with SAS policy. SAS Repeated Course Policy: <https://sasundergrad.rutgers.edu/degree-requirements/policies/repeated-course>
- **Missing Grades:** Grades of NG, TF, TZ, or INC will be calculated into the cumulative GPA as “F” for the purposes of determining admission. Students with other temporary grades (TD, TC, etc.) will be calculated as the minimum grade (D, C, respectively) at the time of application review. Students are responsible for having completed all coursework and receiving final grades by the end of the semester in which they apply.
- Students may not use Summer courses to meet Fall admission requirements and Winter courses to meet Spring admission requirements.

3) Coursework/Transcripts:

- **Writing:** All applicants must have completed College Writing/Expository Writing (01:355:101), College Writing Extended (01:355:104), or an acceptable equivalent course with a grade of “C” or better by the end of the semester in which an applicant is applying.
- **Major and Minor Declaration:** All students must identify their intended major (and minor if applicable) offered through SAS at the time of application in order for SAS to determine appropriate graduation date.
- **Transcripts:** All students who have taken coursework outside of Rutgers University (Camden, Newark, and New Brunswick) must provide unofficial transcripts from all outside institutions at the time of application. It is the student’s responsibility to also send official transcripts to SAS if they were not already sent to and received by the Rutgers-New Brunswick Office of Undergraduate Admissions during original admittance.

Part III - General Information for all Applicants

SAS Graduation Requirements: All students should review the [SAS Graduation Requirements](#) prior to submitting an application.

SAS Residency Requirement: In order to graduate from SAS, students must earn 30 of their last 42 credits while registered in classes from Rutgers University-New Brunswick. In addition, all admitted SAS students must register for a minimum of one full-time semester before being eligible to graduate. This means that a student transferring into the School of Arts and Sciences in what could be their final semester must take 12+ credits. (Please view: [SAS Residency Policy](#))

SAS Academic Policy: Admitted students are subject to all academic policies of the School of Arts and Sciences ([SAS Academic Policies](#)). Once admitted to the School of Arts and Sciences, all students must remain in compliance with the policies of the School of Arts and Sciences.

Academic Status: Students whose term GPA in the semester prior to transfer is below a 2.0 will be admitted on academic warning or probation.

Students dismissed from their previous school: The academic standing of students dismissed from their previous Rutgers school but are admissible to SAS will be evaluated on a case-by-case basis. Students dismissed from another Rutgers school **MAY NOT** afterwards use summer classes to improve their GPA for admissibility to SAS via reenrollment. The GPA at the time of dismissal will be used to determine SAS admissibility. The only way to improve your GPA in this case is to reenroll in your previous school.

Disciplinary Status: Students must indicate on their application if they are currently under review for a disciplinary action, judicial sanction, or a violation of the academic integrity policy at their present school. Students do not need to indicate actions taken solely for poor grades.
